Dick Hillier Tutoring Program

www.dickhilliertutoring.com

- Began in 2010 and has now grown to over 800 students who have completed and benefited from the program
- Standardized tests are given pre and post tutoring to track progress
- Test scores have shown that over 90% of students in the program made significant reading gains
- Teachers are paid a small stipend to tutor underperforming students from their classrooms
- An average of 5-6 students receive tutoring, outside of normal classroom time, 2 hours per week for a 15 week period
- The program is in 6 of the 11 elementary schools in Rio Rancho

Due to the challenges the schools and students have had to face this last school year, we have found the need is greater than ever to expand our program. We invite you to help us by becoming a sponsor.

To become a sponsor, register on-line at www.dickhilliertutoring.com

Rotary Club of Rio Rancho,

"The Young family is grateful and appreciative to Mrs. Stewart and the Rio Rancho Rotary Club for their efforts and sponsorship of the tutoring program at our son's school. Jagger made tremendous strides in his reading and comprehension abilities as a result. We are so proud of him when he reads to us with confidence. Again, thank you."

Richard Young (parent)

Dear Rotary Club,

"Thank you for sponsoring the tutoring program at our kid's school. What a BLESSING! My 1st grade boy was really behind in reading after kindergarten. After 6 months tutoring with Jasmine Stewart at Sandia Vista Elementary, he is on TRACK. Thank You!!!"

Sincerely, Karen Greene (parent)
